

FAMI-QS LAUNCHES ITS NEW WEBSITE!

Brussels, November 28 2012 --- FAMI-QS, the Quality and Safety System for Specialty Feed Ingredients and their Mixtures, is pleased to announce the launch of its newly revamped website.

FAMI-QS has passionately been working on a new website design over the last few months to give visitors a more user friendly experience. The new online platform offers great insight into the world of feed safety and certification.

The aims of the site are to allow visitors to gain a comprehensive understanding of FAMI-QS, to provide an industry leading resource for information regarding Quality and Safety management and also to give up-to-date information about FAMI-QS activities and services. In addition, this bright, user-friendly site provides a comprehensive Database of all the valid FAMI-QS certified-companies, and easy access to all relevant documents and information to enter into the FAMI-QS process.

About FAMI-QS

FAMI-QS Asbl is the management and coordination center for the FAMI-QS code of practice. It is the only certifiable code specifically aimed at Specialty Feed Ingredients and Their Mixtures (feed additives, functional feed ingredients, premixtures, specialty complementary feed, specialty complementary dietetic feed) for animal nutrition. The code addresses safety, quality and regulatory compliance in order to minimize the risk that unsafe specialty feed ingredients enter the food and feed chain. It offers independent certification for all operators placing these products on the market. Based on partnership with international certification bodies and third countries institutional partners, it includes more than 750 certified sites spread across more than 45 countries. The current FAMI-QS President is Dr. Dieter Greissinger of *Evonik Industries AG*.
