About FAMI-QS

FAMI-QS Asbl is the management and coordination center for the FAMI-QS code of practice. It is the only certifiable code specifically aimed at Specialty Feed Ingredients and Their Mixtures (feed additives, functional feed ingredients, premixtures, specialty complementary feed, specialty complementary dietetic feed) for animal nutrition. The code addresses safety, quality and regulatory compliance in order to minimize the risk that unsafe specialty feed ingredients enter the food and feed chain. It offers independent certification for all operators placing these products on the market. Based on partnership with international certification bodies and third countries institutional partners, it includes more than 750 certified sites spread across more than 49 countries. The current FAMI-QS President is Dr. Dieter Greissinger of *Evonik Industries AG*.
