CAUTION: USE OF FAMI-QS LOGO BY A NON-CERTIFIED COMPANY

To: FAMI-QS certified Operators and Certification Bodies

Brussels, 5 October 2017

FAMI-QS has just discovered that the company *CONA*, seeming to be based in South Korea, which is not FAMI-QS certified, submits documents/flyers (see attached) which may create the impression that this company is FAMI-QS certified.

We ask all FAMI-QS Operators and Partners to remain alert and always consult the FAMI-QS database of certified companies on our website: <http://www.fami-qs.org/certifiedcompanies>. Only FAMI-QS certified companies are listed in our certified company database.

All FAMI-QS Members and Partners must report to FAMI-QS any unlawful use of FAMI-QS designations and/or collective logo by third parties.

This announcement is made in accordance with the provisions laid down in section 8.4 "Certificate" of FAMI-QS Rules of Certification Bodies, version 8 and section 15 "Use of logo" of FAMI-QS Rules for the Operators, version 8. The FAMI-QS name and logo may only be used by operators that have obtained certification from a certification body recognized by FAMI-QS Asbl. The right to use the FAMI-QS logo and/or name is exclusively granted by FAMI-QS Asbl, and can be withdrawn at any moment in the event of noncompliance with certification requirements.

Furthermore, let us advise you to always consult the FAMI-QS certified companies' database or to contact us directly if you have any doubt about a company's FAMI-QS certification.
