

Feed Additives 2018 Conference

[26-28 September, Amsterdam – The Netherlands]

Feed Additives 2018 is an important annual gathering for leading feed additives producers, traders and users.

Created by the team behind *Feedinfo News Service*, the conference helps senior managers, purchasers and nutritionists understand the factors that will impact the feed value chain, from global economic trends and trading conditions, to potential disruptors and the latest scientific advancements.

The conference will be held at the Hotel Okura in Amsterdam on September 26-28, for three days of relationship building, business-critical content, high-level speakers and networking opportunities.
