

AWARENESS IN FEED SAFETY TRAINING FOR INDUSTRY

FAMI-QS CERTIFICATION

- Uncompromised focus on risk management, safety and quality, coupled with cost and time efficiency.
- Highly effective management system approach, undergoing thorough revision, to be completed by 2017.
- Expert knowledge and industry experience translated into the state-of-art set of rules, practices and standards.
- Officially recognized as the first European Community Guide, the code has been fast evolving to stay abreast of any changes in the regulatory landscape worldwide.
- Global perspective and local presence: over 1000 operators have been successfully implementing our strict feed safety and quality requirements in all parts of the world.

FAMI-QS will organize a 2-day training session for the Industry of Specialty Feed Ingredients on the **4th and 5th of October 2016**.

WHY TO ATTEND THIS TRAINING?

The aim of the training is to provide the necessary information to the participants regarding:

- FAMI-QS certification process;
- Requirements of the FAMI-QS Code;
- Interpretation of the Code;
- Feed safety;
- EU feed legislation.

“An industry-driven, sector-specific quality system, with unrivalled value in the global certification market.”

WHO SHOULD ATTEND THE TRAINING?

- Anyone who is involved in the implementation of the FAMI-QS certification system (Quality Managers, Consultants, etc.);
- Internal FAMI-QS Auditors;
- Producers, Suppliers and Traders of Specialty Feed Ingredients;
- Individuals who want to obtain further information on the FAMI-QS Certification.
