

FEED FRAUD PREVENTION AND DEFENSE

TRAINING FOR FAMI-QS Certified Organizations

FAMI-QS recently launched the Feed Fraud Prevention and Defense (FFPD) module. In order to fully support its members to better understand this new concept under FAMI-QS, a dedicated training module was developed.

The training will be a combination of e-learning and class-based with presence required. Participants in the training will get access to the e-learning platform one (1) month prior to the classroom-based training.

WHY ATTEND THIS TRAINING?

The aim of the training is to provide the necessary information to the participants regarding:

- Why a Feed Fraud Prevention and Defense module has been developed by FAMI-QS;
- To understand the contents of the Feed Fraud Prevention and Defense module developed by FAMI-QS;
- To understand the basic concepts (theory and methodology) of Fraud Vulnerability Assessment And Threat Assessment;
- To understand how to set-up the Vulnerability Assessment and Threat Assessment using the templates, and how they are linked to the module.

WHO SHOULD ATTEND THE TRAINING?

- Feed Fraud Prevention and Defense team members;
- Anyone who is involved in the implementation of the FAMI-QS certification system (Quality Assurance, Quality Control, Procurement, Management Representatives and Logistics);
- Producers, Suppliers and Traders of Specialty Feed Ingredients;
- Individuals who want to obtain further information on the FAMI-QS Feed Fraud Prevention and Defense

The participation in the training **is mandatory for FAMI-QS Certified Organizations** with a minimum of one (1) participant per certified organization. The participant who attends the training on behalf of the organization can then reproduce the training to his/her colleagues.
